

STARBUCKS®

More drive-thru sites wanted

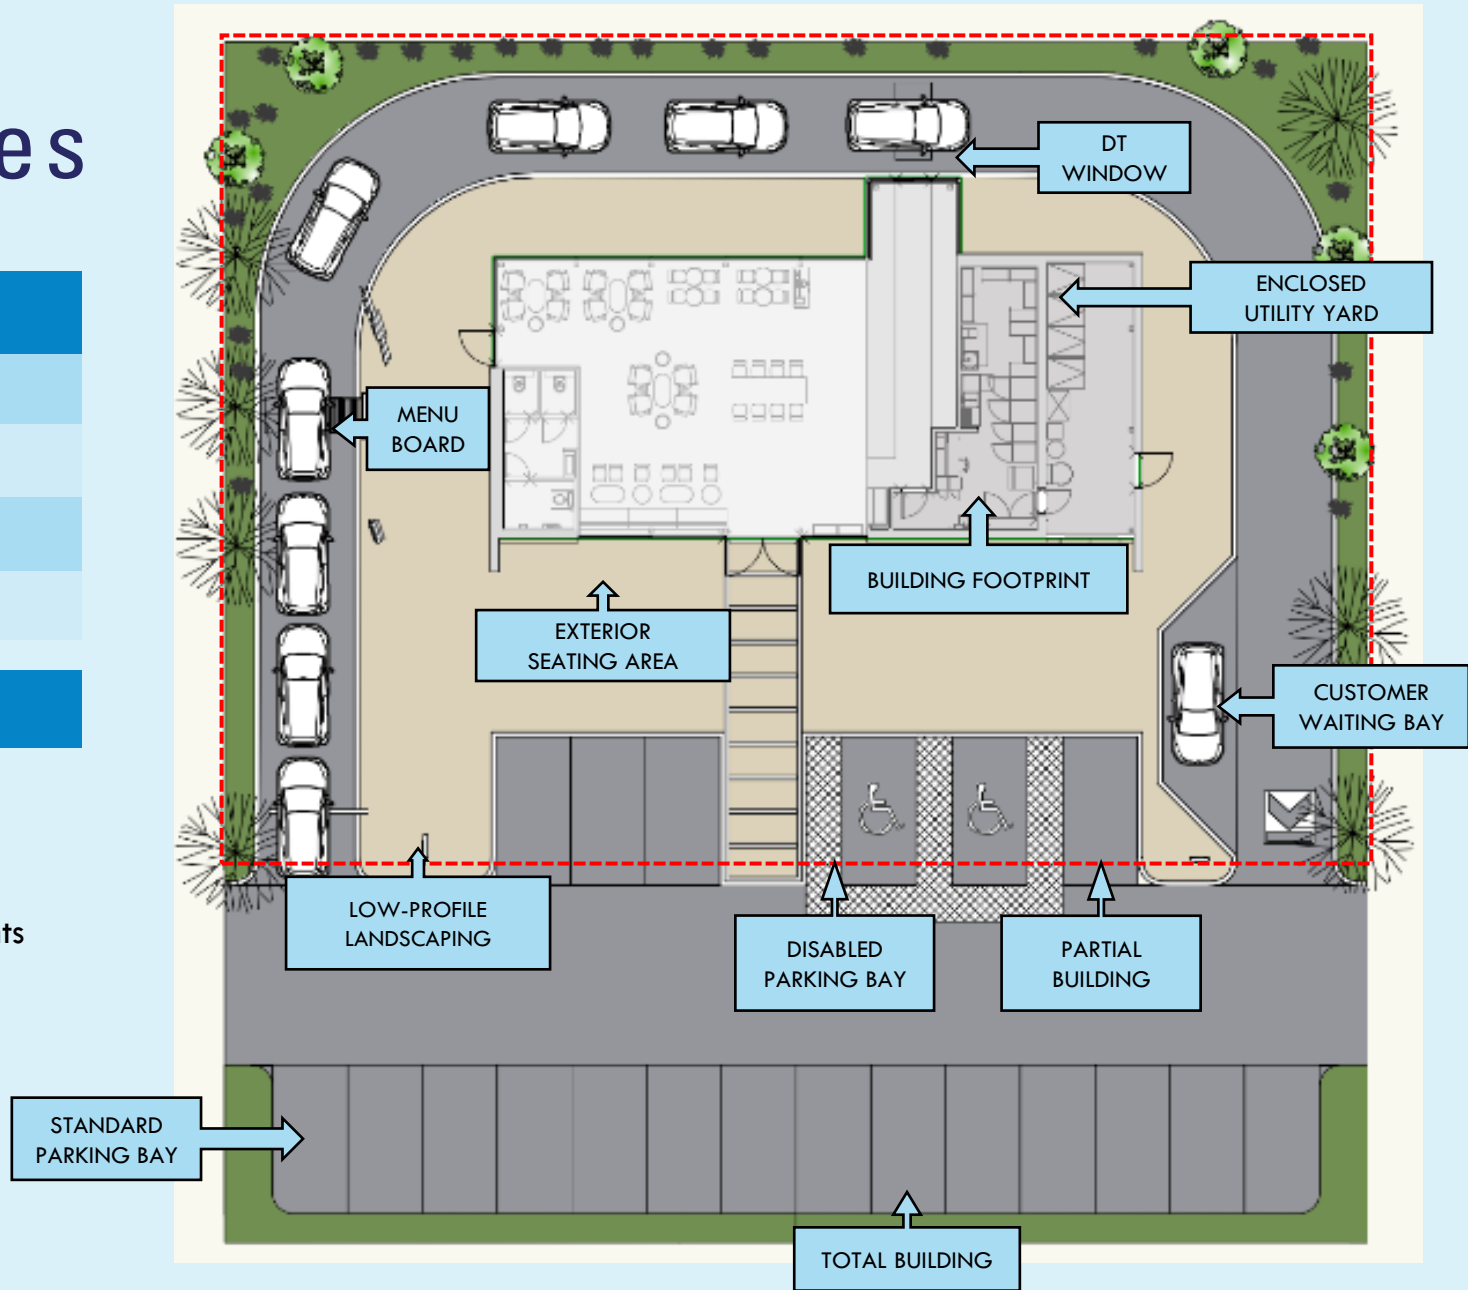

Our drive-thru standards & guidelines

Minimum standard	Preferred standard
3.2m wide drive-thru lane	3.5m wide drive-thru lane
4.5m inside turning radius	5m inside turning radius
8m outside turning radius	8m outside turning radius
17+ car parking spaces	25+ car parking spaces

Additional guidelines

- | | |
|-----------------------|----------------------------------|
| 120mm curb height | 1 no customer waiting bay |
| Directional signage | Height restriction signage |
| Way finder signage | Electric vehicle charging points |
| Minimum 4no car stack | Digital pre menu boards |

Our key site criteria

- 0.3 acre +
- Freehold, leasehold or long-leasehold
- High visibility and prominence
- Easy access
- Multiple signage opportunities
- Premier areas with high activity throughout the day, multiple business drivers e.g. retail, supermarkets, leisure or business parks, residential, universities, visitor attractions, transport hubs, commuter A-roads etc
- Market leading, sustainable design
- Competitive build costs

Our target locations

Café Fortune Limited - Company Registration No. 08787652

Target locations

Cheshire	Lancashire	Merseyside
The Wirral	North Wales	Staffordshire
Shropshire	Nottinghamshire	Derbyshire

Existing locations

Aberystwyth	Crewe	Ormskirk
Llandudno	Liverpool x 3	Telford
Warrington		

Drive-thru sites are preferred but in line opportunities would be considered where major retail or leisure drivers exist.

We would always seek the right to install 2 x electric vehicle (EV) charging points within a scheme and install ANPR in sites where fly parking may be a concern.

Café Fortune Limited is an authorised licensee of Starbucks Coffee Company (UK) Ltd.

For details of Starbucks' other operations in the UK, please contact Robert McPartland at rmcpartl@starbucks.com

The Stockford Anderson logo, consisting of the words "STOCKFORD" and "ANDERSON" in a bold, blue, sans-serif font, stacked vertically. The text is contained within a blue rectangular frame that has a slight 3D effect with a shadow on the right side.

**STOCKFORD
ANDERSON**
